

Non-Filer Verification 2018-2019

Verification of 2016 Income Information for Parent Nontax Filers – Dependent Student

Your 2018–19 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding federal student aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this worksheet, attach any required documents, and fax or mail them to the Office of Financial Aid. You may be asked to provide additional information. If you have questions about verification, contact our office so that your financial aid will not be delayed.

The instructions and certifications below apply to the parent of the Dependent student. Complete this section if the parent of the Dependent student will not file and are not required to file a 2016 income tax return with the IRS.

Check the box that applies:

- The parent of the Dependent student was employed in 2016 and have listed below the names of all employers, the amount earned from each employer in 2016, and whether an IRS W-2 form is provided. [Provide copies of all 2016 IRS W-2 forms issued to the parent by their employers]. List every employer even if the employer did not issue an IRS W-2 form.

If more space is needed, provide a separate page with the student’s name and ID number at the top.
